

Pre Requisites

Project Title	SmartFarmer – IoT Enabled Smart Farming Application
Team ID	PNT2022TMID43889
Content	IBM Cloud Service

STEP 1:

Type IBM Cloud in Google and click on the first link.

The screenshot shows a Google search interface with the query "ibm cloud". The search results indicate approximately 20,700,000 results found in 0.48 seconds. The first result is an advertisement for IBM Cloud, titled "IBM Cloud® - Cloud Computing". The ad text describes a robust suite of advanced data and AI tools, mentioning "Enterprise-Grade Cloud" and listing types: Full Stack Cloud Platform, Hybrid Cloud, and Developer Tools. Below the ad, there are four links: "Watson AI", "IBM Let's Create", "Chat with IBM Sales", and "Modernise Hybrid Cloud", each with a brief description. On the right side of the search results, there is a large image collage. The top part of the collage features the IBM Cloud logo and a stylized sun icon. Below this, there is a grid of images showing various cloud services and a person interacting with a cloud interface. A "More images" button is visible. Below the image collage, the text "IBM cloud computing" is displayed, followed by "Computer software" and a brief description: "IBM cloud computing is a set of cloud computing services for business offered by the information".

IBM Cloud® - Cloud Computing

A robust suite of advanced data and AI tools, and deep industry expertise. Discover a faster, more secure journey to **cloud** trusted by thousands of enterprises. Enterprise-Grade **Cloud**. Chat, Call, or Email **IBM**. Types: Full Stack **Cloud** Platform, Hybrid **Cloud**, Developer Tools.

Watson AI
Bring AI Tools and Apps to Your Data Wherever It Resides.

IBM Let's Create
Bringing Together the Technology & Expertise for a New Way to Create.

Chat with IBM Sales
Chat, Call, or Email IBM To Discuss Your Business Needs Today.

Modernise Hybrid Cloud
Let's Create Cloud Management That Requires Less Management.

IBM Cloud

IBM Cloud computing is a set of cloud computing services for business offered by the information

STEP 2:

Click on create IBM Cloud Account Now and enter the details.

The screenshot shows the IBM Cloud website homepage. The top navigation bar includes the IBM logo, links for Cloud, Products, Solutions, Pricing, Docs, Support, Explore, a search icon, Contact us, Log in, and a prominent blue button labeled "Create IBM Cloud account". The main hero section features the text "IBM Cloud Hybrid. Open. Resilient." and "Your platform and partner for digital transformation". Below this text are two buttons: "Get started for free" and "Chat with an IBM expert". The background of the hero section is a light blue with abstract geometric shapes in black, white, and blue. Below the hero section, there are three columns of content: "Built for your industry" with a link "Why IBM Cloud", "Foundational security", and "Better business predictions". On the right side of the bottom section, there is a blue button labeled "Let's talk" and a link for "Cookie Preferences". A vertical "Site feedback" link is also visible on the right edge of the hero section.

STEP 3:

You will get the email with your password. Type your mail Id and the password then click on the login button.

The screenshot shows the IBM Cloud login interface. At the top, there is a dark navigation bar with the 'IBM Cloud' logo on the left and links for 'Catalog', 'Cost estimator', and 'Docs' on the right. The main content area has a dark background with a large blue abstract shape. On the left, there is a cloud icon, the text 'Log in to IBM Cloud', and a link 'Don't have an account? Create an account'. Below this, a 'Sign in with' section features a dropdown menu set to 'IBMid' and a text input field containing 'username@example.com'. A prominent blue 'Continue' button with a right-pointing arrow is positioned below the input field. Underneath the button are links for 'Forgot ID?' and a 'Remember ID' checkbox. In the bottom right corner, a 'Cookie Preferences' link is visible.
